Subject: Fireworks Stand

I would like to add a public comment for item 8A for tonight's meeting. My name is Jason Jennings and I am the newly elected Squad Club 745 President for the CHP office in San Luis Obispo. The CHP Squad Club 745 is a 501c3 non-profit that supports CHP Officers, Dispatchers and the non-sworn personnel that are assigned to the CHP Office in SLO. As all of you are well aware the CHP patrols Oceano and are committed in protecting the Oceano community. As the President of the Squad club it has fallen on my shoulders to raise funds to support our efforts. This last year has taken its toll on the well being of Law Enforcement Officers nationwide and it's my job to conduct events to support our members and their families. Squad Club 745 conducts events for our members like wellness days, barbecues, a wives support group, a Christmas party, a children's Christmas party including a visit from Santa as well as numerous other events throughout the year. I have worked at the SLO CHP Office for over 12 years of my 19 year career. When I first transferred here the Squad Club had a booth selling fireworks at the Hayashi property on Highway 1. We are very interested in obtaining a permit to sell fireworks once again in Oceano if not this year then next. It is my understanding that the board is taking into consideration of limiting the amount of permits issued from 7 down to 4. I am asking the board to consider lowering the permits issued to 5 giving us chance to submit for a permit. Thank You for your Consideration.

Thank you, Jason Jennings
