Subject: Fwd: clarifications on the 11/10/21 board meeting

Hi Carey.

Can you please make sure my letter gets in the " public comments received" folder of next agenda?

Neither of the board members answered me. And can I please have the managers' email address?

THANK you for your help

Dear Ms. Villa and Ms. Austin:

I am trying to send this email to the OCSD board.

I followed the instructions on your website and submitted my comments.

I was notified that there was a problem with my submission. Can you please make sure my comments are received by the Board?

Thank you,

Lucia CasalINUOVO

Dear OCSD,

If you recall I offered public comment at your 11/10/21 meeting.

Because of a bad connection and because I can't hear well, i didn't understand Ms. Austin's answer to Mr. Varni's inquiry: why didn't his letter about supporting and agendizing Oceano project #15 was not included in your "Email received" folder?

Can you please Ms. Austin put in writing what you said for me? Thank you.

I also wish to comment on OSCD's manager's statement that OCSD has

already sent a letter of support for the above project to SLOCOG. He mentioned a letter dated October 2020. I think he is referring to a different letter. At that time the Oceano #15 project was not on the table.

Furthermore, I am forwarding you a letter from SLOCOG about public comments received on this project:

You can find a copy of the written public comments, which have been consolidated, attached. They were emailed to the Board on October 5 ahead of the October 6 meeting. Our meeting minutes reflect this by saying, "All public comments SLOCOG received via email were consolidated into one document and the Board received a copy via email yesterday (October 5th)." That way anyone can request them.. You can also listen to verbal comments on our webpage of archived meeting recordings here: [https://slo-span.org/static/meetings-SLOCOG-](https://slo-span.org/static/meetings-SLOCOG-SLORTA.php)

Sincerely,

Anna

I am sorry I am not technologically able to send you the attachment myself.

Your letter is not included.

Can you please forward me a copy of the letter you mentioned?

Thank you
